

Atlas Move, LLC | DAT

By Founder of Atlas Move, LLC to Mr. James | May 20, 2025

Are you a DAT customer? Not yet – exploring partnership opportunities

MC/DOT number(s): MC: Currently inactive but will be reactivated in the coming days; and our DOT is 4383008

How many users will use the integration? 10 internal users

Desired DAT integrations: Load posting, load searching, and market rate insights

What problems are you trying to solve with this integration?

We aim to streamline our load matching process, reduce manual dispatch efforts, and gain access to accurate rate data to better serve our network to our drivers.

Internal competing load board in TMS? No

Presence of or plans for historical/predictive rates tool direct from TMS? Not currently, but we are evaluating future possibilities

Current load board integrations if any? None at the moment
